

**DEPARTMENT OF PEDIATRIC SPECIALTIES
UNIT OF RHEUMATOLOGY**

We would like to invite applications for one position of research under the group led by Dr. Fabrizio De Benedetti. The position involves undertaking research in elaboration of diagnostic pathways and follow-up of auto-inflammatory diseases.

The aim of the project is to investigate the effect of IL-1B inhibition in SJIA and other auto-inflammatory diseases, focusing on the long term clinical efficacy and safety.

Degree in Medicine is requested. Board certification in Pediatrics, and clinical and research expertise in the field of pediatric rheumatology will be considered a significant advantage.

A 12-months clinical research position starting in 2018 (with a salary of €20.000,00 per annum) be awarded to the successful candidate.

Knowledge in English and Italian languages is required.

The deadline for submission of the applications is **February 28, 2018**. Interview of the selected candidates will be planned from **March 2018** onwards.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG2018/01.
