

**UNIT OF NEUROMUSCULAR AND
NEURODEGENERATIVE DISORDERS**

We would like to invite applications at the Bambino Gesù Children's Hospital for one position of research fellowship under the active group led by Dr. Adele D'Amico. The position involves undertaking research in pediatric neuromuscular diseases, with focus on the implementation of respiratory standards of care in patients affected by SMA type 2 and 3.

Degree as Physiotherapist is requested. Clinical and research expertise in the field of pediatric respiratory care of patients affected by neuromuscular disorders would be considered an advantage.

A starting 12-months research position will be awarded to the successful candidate. Position and salary will depend on qualification and experience.

Review of applications will begin on June 2019 and will continue until the position is filled.

Applications, including the applicant's CV and the name/address of two reference persons, should be submitted to direzione.scientifica@opbg.net, quoting the code OPBG2019/02

Please contact Adele D'Amico (adele2.damico@opbg.net) for any further information.
